

PLEASE SUPPORT PAC (POLITICAL ACTION COMMITTEE)

Founded in 1995, the Maryland Architects PAC works hand-in-hand with AIA Maryland to achieve its legislative goals. These two organizations represent your influence in the law-making process. The PAC enables member architects to participate more fully in electing and re-electing legislators who understand and support our profession, our livelihood and our issues. Laws passed in Annapolis can enhance or impair the way we do business in dramatic ways.

Your financial contribution is crucial – show your support today!
